Telephone Pioneers of America

Grant Information	Date	Amount
Pioneer Foundation	1/05	900,000

The Verizon Foundation made grants to the Telephone Pioneers of America (the "Pioneers") foundation for the 2005 calendar year. Expenditure responsibility is required under Internal Revenue Code Section 4945(d)(4) and (h) with respect to such grants. The Verizon Foundation reasonably believes that such grants expended by the Pioneers were exclusively for charitable purposes. This belief is based on reports provided to the Verizon Foundation by the Pioneers.

Report of Independent Auditors

The Board of Directors of
Verizon Foundation

We have audited the accompanying balance sheets of Verizon Foundation (the "Foundation") as of December 31, 2005 and 2004, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Foundation's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation at December 31, 2005 and 2004, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

Notes to Financial Statements

December 31, 2005

1. Verizon Foundation

The Verizon Foundation (the "Foundation") is a private, nonprofit organization incorporated under the Not-for-Profit Corporation Law of New York. The Chairman and Chief Executive Officer of Verizon Communications Inc. ("Verizon") is also the Chairman of the Board of the Foundation and other officers of Verizon serve as officers or directors of the Foundation.

The Foundation was formed in December 1985 exclusively for charitable, religious, educational, scientific, literary and cultural purposes, as specified in Section 501(c)(3) of the Internal Revenue Code of 1986 (the "Code"), including making contributions to organizations which qualify as exempt organizations under the Code. The Foundation is exempt from federal income taxes under the Code. However, as a private foundation, the Foundation is subject to an excise tax not to exceed 2% of net investment income, including realized gains, as defined under Code section 4940(a).

The current provision for federal excise tax for the years ended December 31, 2005 and 2004 amounted to $414,262 and $134,566, respectively. The deferred provision for federal excise taxes, representing taxes provided on unrealized appreciation on investments amounted to $148,409 and $235,215 for the years ended December 31, 2005 and 2004, respectively.

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The financial statements are prepared in conformity with accounting principles generally accepted in the United States, which requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Cash and Cash Equivalents

All highly liquid debt instruments with a maturity of three months or less when purchased are classified as cash equivalents. Temporary cash investments are stated at cost, which

2. Summary of Significant Accounting Policies (continued)

approximates market value. The Foundation has cash and cash equivalents at high credit quality financial institutions and, at times, such cash and cash equivalents may be in excess of federally insured limits.

Contributions

The Foundation records cash contributions and unconditional promises to make cash contributions as revenue upon receipt of the cash or the unconditional promise. Noncash contributions are recorded at fair value upon receipt. During 2004, the Foundation recorded contributions of $100,585,303 from Verizon and its affiliates.

Verizon contributes certain legal, tax and investment services and office facilities to the Foundation. The estimated fair value of the contributed services ($50,334 for 2005 and $48,397 for 2004) is reflected in the Statements of Activities as Contributions and as General and administrative and other expenses.

Investments

Investments are carried at fair value, based on published quoted market values. Income earned from investments, including realized and unrealized gains and losses, is included in the Statements of Activities.

Premiums and discounts related to debt securities are included in the cost of investments and are amortized over the life of the investment using the constant yield method. Realized gains and losses on the sale of investments are determined on the specific-identification basis.

Data Processing Equipment

Data processing equipment is recorded at cost. Depreciation is calculated using the straight-line method over the estimated useful life of five years. Gains or losses on the disposition of equipment, if any, are reflected in the Statements of Activities.

Grants and Commitments

The Board of Directors may approve grants that are not disbursed in the year approved. Commitments that are unconditional promises to give are recorded as liabilities at their fair values at the date of grant. Commitments that are not unconditional promises to give are recognized as liabilities when certain conditions are met.

Unrestricted Net Assets

Unrestricted net assets represent funds which are fully available, at the discretion of the Board of Directors and management, for the Foundation to utilize in any of its programs or supporting services.

3. Contribution Receivable

The contribution receivable of $100,000,000 at December 31, 2004 was due from Verizon and was received in January 2005.

4. Investments

Investments consisted of the following at December 31, 2005 and 2004:
