International Operator Assisted Calling

General Description

International Operator Assisted Calling allows Customers to place calls using operator assistance for call completion. Operator Services may be used by a Customer to complete Operator Station Calls,. Service is available only for direct use by residential and business subscribers and may not be used or resold to provide payphone, hotel, transient, guest or other aggregator services. (C)

(C)

(C)

(C)

Taxes and Fees are in addition to the stated rates.

Rates and Charges

Application of Rates

Usage charges and a service charge will be assessed on a per call basis. (C)

(C)

Charges for Operator Assisted Calls include two components: a usage-sensitive component and a fixed per-call service charge. (C) (C)

Operator Assisted calls are billed in one (1) minute usage increments after an initial minimum call duration of one (1) minute. Partial minutes are rounded up to the next minute.

Per Call Service Charges

The Per Call Service Charge applies to all calls from the United States to the international locations served, in addition to all other surcharges and fees, when applicable. (C) (C)

(C)

(C)

Operator Assisted Charge	$7.00
