LOCAL EXCHANGE SERVICE

A. GENERAL

1. Application of Tariff

a. This Tariff contains the schedule of rates and specific regulations applicable to local exchange Dial Tone Lines and Usage furnished within the Pennsylvania Exchange Area.

b. Regulations

(1) Monthly Rates

Each Local Area Unlimited Usage Package is associated with a particular Dial Tone Line. The Unlimited Usage Package rates as set forth in this Tariff apply only to that usage package and will not be applied as the maximum rate for the Usage Sensitive Service (USS) Metered and USS Measured Usage Options.

c. Exchange Service, Local Calling Areas, Dial Tone Line Cell and Usage Rate Group Classification and Exchange Area Maps.

(1) The Local Calling Area associated with the Local Usage Options in these tariff sections is contained in 5., following, pertaining to each Exchange Area.

(2) The Dial Tone Line Cell and Usage Rate Group classification for each Exchange Area associated with this tariff are contained in 2., following (see 2. Dial Tone Line Cell and Local Usage Option Availability).

(3) The Exchange Area Maps associated with this tariff are contained in Section 12 of this tariff.

These rates, terms and conditions are effective June 30, 2002. (C)

LOCAL EXCHANGE SERVICE

B. EXCHANGE SERVICE

2. Exchange Service

Exchange Service consists of two components – the Dial Tone Line and Local Usage Options. Each of these rate components are billed monthly in addition to any applicable measured or metered usage charges

a. Dial Tone Line

(1) The Dial Tone Line provides customers with access to the telephone network. The term Dial Tone Line applies to Residence and Business lines.

(2) The Exchange Dial Tone Line rates for Residence and Business customers are shown in C. following, and are classified into Dial Tone Line Cells.

b. Local Usage Options – Description and Availability

Local usage as defined following, is provided to customers under options which differ in the way rates applicable to outgoing usage are charged. With any of the options, the customer can receive at no additional rate an unlimited number of incoming calls. Rates for the Local Usage Options are shown in C, following.

These rates, terms and conditions are effective June 30, 2002. (C)

b. Local Usage Options – Description and Availability (Cont'd)

(1) Usage Sensitive Service (USS) Metered Usage Option

With the USS Metered Usage Option, the customer is charged the applicable rates for each completed outgoing local call. The rate is based upon the USS Metered Use Rate Schedule shown in C. following.

This option is available to all residence customers.

(2) Usage Sensitive Service (USS) Measured Usage Option

With the USS Measured Usage Option, the customer is charged the applicable USS Measured Connection Rate Schedule and the USS Measured Rates Per Minute of Use Schedule Shown in C. following.

This option is available to residence and business customers.

(3) Local Area Unlimited Usage Package

With the Local Area Unlimited Usage Package Option, the customer pays a stipulated monthly rate for an unlimited number of outgoing calls within a specified local calling area.

This option is available to all residence customers.

This option is available to existing business customers who continue such service at their current locations.

(4) Optional Detailed Billing of Measured Local Usage

This option is available to residence customers.

These rates, terms and conditions are effective June 30, 2002. (C)

LOCAL EXCHANGE SERVICE

C. RATES

1. Exchange Service Rate Components

a. Dial Tone Line Rates

The Dial Tone Line rate for customers with Foreign Exchange Service or Foreign Central Office Service is the same as for the central office designation associated with the customer's local serving office.

b. Local Usage Option Rates

Residence customers choose one of the following usage options:

Local Area Unlimited Usage Option
Usage Sensitive Service (USS) Measured Usage Option
Usage Sensitive Service (USS) Metered Usage Option

Business customers, choose one of the following usage options:

Local Area Unlimited Usage Option
Usage Sensitive Service (USS) Measured Usage Option

2. Dial Tone Line Cell Classification

For the purposes of determining an Exchange Area Dial Tone Line monthly rate, the Exchange Areas are classified into one of the four (4) Dial Tone Line Cells. The Cell classifications are determined by the following criteria. These criteria apply to all wire centers regardless of competitive classification. (C)

Dial Tone Line Cell	Classification Criteria
1	All Philadelphia and Pittsburgh City Exchange Areas or Zones with working pairs per square mile greater than nine thousand (9,000).
2	All remaining Philadelphia and Pittsburgh City Exchange Areas or Zones.
3	All Philadelphia and Pittsburgh Suburban Exchange Areas or Exchanges with more then five hundred (500) working pairs per square mile.
4	All remaining Exchange Areas.

3. Dial Tone Line Reclassification

When an annual review indicates that the number of working pairs per square mile of an Exchange Area or Zone has exceeded or fallen below the above Dial Tone Line Cell criteria for two (2) consecutive study periods, the Exchange Area will be reclassified. Notice of the reclassification of the Exchange Area Dial Tone Line Cell shall be given by filing revised tariffs with the Commission.

These rates, terms and conditions are effective June 30, 2002.

C. RATES (Cont'd)

4. Exchange Rate Classification

a. The Local Area Unlimited Usage Packages for Residence and Business customers are classified into Usage Rate Groups on the basis of the number of lines in the Local Area Unlimited Usage Package local calling area adjusted by weighting factors which reflect distance.

(1) Lines

The number of lines for each exchange is the sum of the total number of residence and business lines.

(2) Weighting Factors

The weighting factors are:

- For the exchange itself, each line is counted as "1".
- For each other exchange which may be called on a local basis, the number of lines is multiplied by a factor based on the rate center to rate center distance, as follows:

Mileage Bands	1-10	11-16	17-22	23-30
Distance Factors	1.0	1.5	2.0	2.5

(3) The Weighted Line Rate Groups for Exchange Usage are:

Usage Rate Group	Weighted Lines in Local Calling Area
A	0 – 27,000
D	27,001 – 83,000
F	83,001 – 350,000
