World Plan 300 Promotion

The World Plan 300 Promotion provides a $10.00 monthly discount for 12 months and is available through Company designated-sales channels to Residential Customers who i) subscribe to the Company's Plan O Unlimited Service and have Regional Essentials as their Qualifying Local Service under that plan, ii) subscribe to International Option 6 Service (300-minute offering only), and iii) subscribe to the following qualifying services from affiliated companies: Two year term subscription for new FiOS TV with Custom or greater programming package and new Internet (25/25 or higher).

The Customer who discontinues or cancels any of the Company's or affiliated company's qualifying services or whose service is refused, canceled or discontinued by the Company or affiliated company shall forfeit eligibility and the monthly credit will be discontinued immediately. In addition, changes to the local service plan or local voice service (including, but not limited to, moves, telephone number change, transfer, or suspension) will disqualify the Customer for the offer.

The discount will be prorated for the first and last partial months. The discount is limited to one discount per Customer account. It may not be combined with other offers unless specified by the Company and is subject to any applicable effective tariff or regulatory filing by the affiliated company.

This offer is available from August 17, 2015 through September 19, 2015.
