

## **Terms and Conditions**

Please carefully read the Terms and Conditions for Paper Free Billing. By enrolling you agree to these Terms and Conditions. If you do not agree to these terms we cannot complete your enrollment.

Each month you will receive an email and/or an SMS text notifying you that your bill is available online to view and pay. You must continue to pay your paper bill until you receive a notification that your bill is available online. By enrolling in Paper Free Billing, you also consent to receive suspension notices by email if you fail to pay your bill on time.

- I agree to have Verizon stop mailing me a paper bill each month. Instead, Verizon will provide me with an electronic bill at verizon.com. I agree to view and pay my bill each month.
- I agree to have Verizon email me suspension notices to my email address in my MyVerizon profile should I fail to pay my bill in a timely fashion.
- I understand that having a current and correct email address, and if applicable, wireless telephone number in the MyVerizon profile for my account is essential in order for Verizon to provide me with important notices. I agree to promptly update the MyVerizon profile information so that it always contains a current and correct email address, and if appropriate, wireless telephone number for me.
