Description of the planned network change(s):

Verizon intends to retire a number of copper facilities in the Cranford, Hackensack, Haddonfield and Morristown, NJ wire centers serving locations listed on the attached Exhibit A and to provide services over a fiber network infrastructure. Verizon has deployed its fiber-to-the-home network in the areas

identified in Exhibit A.

Description of reasonably foreseeable impact(s) of the planned change(s):

After the retirement of the copper facilities, Verizon will: (1) no longer offer services over copper facilities; and (2) cease maintaining the copper facilities.
