PETITION FOR LIMITED ORDERS OF ENTRY

Verizon New York Inc. ("Verizon") respectfully submits this Petition for Limited Orders of Entry, pursuant to 16 NYCRR § 898.4, allowing Verizon to conduct a pre-installation survey at 16 multiple-dwelling unit buildings ("MDUs") in the City of New York. In support of this Petition, Verizon states as follows:

Specific Location of the Properties

1. Verizon seeks to conduct a pre-installation survey, in preparation for future installation of cable television facilities, at the 16 MDUs listed in Exhibit 1. Each MDU is a residential building; the address of each MDU is set forth in Columns B and C of Exhibit 1.

Owners and Agents

2. The names of the current owners and managing agents of each MDU are listed in Columns D, E and F of Exhibit 1.

Description of the Work to be Performed

3. By this Petition, Verizon seeks permission to enter each MDU to conduct a pre-installation survey, in preparation for future installation of Verizon’s cable television facilities at the MDU, to allow Verizon to provide cable television service to residents in the MDU.

Proof of Service of Notice of Intention to Install Cable Television Facilities and Service

4. Each MDU owner and/or managing agent received two letters from Verizon. Each letter was accompanied by a Notice of Intention to Install Cable Television Facilities and...
Service, as required by 16 NYCRR Part 898. Mailing dates of the notices for each building are set forth in Column G of Exhibit 1. Supporting documentation is provided in Exhibit 2.

Name of the Individual Responsible for Installation

5. Alyson Seigal, Verizon, 140 West Street, New York, NY, is the person primarily responsible for the proposed pre-installation surveys.

Indemnification

6. Verizon warrants that it will bear the entire cost of each survey. Verizon further warrants that it will indemnify the owner of each MDU for any damage that may be caused by Verizon in connection with the survey, and that it has insurance covering such pre-installation survey work, proof of which can be produced upon request.

Pre-Installation Survey Work Will Be Conducted Without Prejudice to the Owner’s Right to Receive Just Compensation

7. The proposed pre-installation survey work will be conducted without prejudice to any rights the owner of each MDU may have to receive just compensation in accordance with 16 NYCRR § 898.2.

Summary of Verizon’s Efforts to Gain Entry to the Buildings for the Pre-Installation Surveys

8. Verizon’s formal efforts are set forth in Column G of Exhibit 1. In addition to those efforts, Verizon has attempted to contact the owners and managing agents by telephone and/or e-mail to secure access to the properties, without success. Verizon has been unable to obtain access to survey the properties for reasons that may include, but are not necessarily limited to, refusals to permit access, delays by building owners or managing agents in communicating with Verizon or in reaching a decision, and requests to defer the survey by Verizon pending building renovations or other activity. Verizon will continue attempting to
work cooperatively with building owners and managing agents to obtain access, and will periodically advise the Commission of the progress of such efforts.

**Opportunity for the Owner to Answer the Petition**

9. The owner of each MDU listed in Exhibit 1 has twenty (20) days from receipt of this Petition to file an answer. The answer must be responsive to this Petition and may set forth any additional matter not contained herein.

WHEREFORE, Verizon respectfully requests that the Commission grant Verizon the relief requested herein and issue an Order pursuant to 16 NYCRR § 898.4 permitting Verizon to conduct a pre-installation survey at each MDU, together with such other relief as the Commission may deem just and proper.

Respectfully submitted,
