Frequently asked questions

I received a 1099-R, 1099-MISC and/or 1042-S and the TIN/SSN is masked—why?
Due to data privacy guidelines, the full TIN/SSN has been partially masked on the 1099-R, 1099-MISC and/or 1042-S tax forms.

I received two tax forms—why?
Depending on your situation you may receive more than one tax form:

- If you turned 59½ in 2018, you may have a form for the period of time when you were less than 59½ and a form for the period of time after you turned 59½.
- You may be receiving a payment as both a beneficiary and an employee.
- You may have received both a lump-sum and annuity payments from a qualified plan in 2018.
- You may have received both a qualified (1099-R) and a non-qualified (W-2) payment in 2018.
- You may have been an active employee of Verizon and also retired and received a pension payment in 2018.

What is the code of distribution?
Codes of distribution are assigned based on your age and the type of payment you’re receiving. For additional information regarding codes of distribution, please visit the IRS website at irs.gov.

What if I didn’t receive my 2018 W-2 from Verizon payroll?
If you did not receive your W-2 statement for a period of active service with Verizon in 2018, please call Verizon Employee Services at 800.932.7947.

My state and/or federal withholding is incorrect—how can I get this amount corrected?
We cannot change the reporting of state and/or federal withholding once the 2018 tax year has closed. If there is an error in the withholding amount on your tax form, please speak with a financial advisor or your tax preparer for information on how to recover amounts withheld that exceed your tax obligation.

Why do I have imputed income in box 12 of my 2018 W-2 form?
If you had retiree life insurance coverage greater than $50,000 during 2018, a portion of the amount over $50,000 is reported to the government as taxable income. If our records indicate you have a domestic partner who does not qualify as a tax dependent, the value of the Verizon medical and/or dental coverage provided to your domestic partner (and to children of your domestic partner) during 2018 is reported as taxable income.

How can I change my payment to be directly deposited into my bank account?
Call the Verizon Benefits Center at 855.4vz.Bens (855.489.2367) to make direct deposit changes.
