

# More than 19 million confess plans to celebrate Valentine's Day in their pajamas!

Valentine's Day 2021 will be different, but how?

148 million Americans will celebrate Valentine's Day. Here's what they say:

**7 million**

plan to go on a virtual date.

**One in four**

will send gifts or cards to those they can't be with in person this Valentine's Day.

**15 million**

plan on cooking their Valentine's Day dinner with the help of YouTube.

**25 million**

plan to catch up on their streaming queue.

**42%**

will order takeout from a local restaurant.

**40 million**

plan to listen to their favorite music - or the preferred music of their date.

**46 million**

expect to mark the occasion by calling, texting, or video chatting with loved ones.

**40%**

say they will support their community by buying flowers or chocolate from a local small business.

**56 million**

agree that after last year, we all need more love than ever.
