Frequently asked questions

I received a 1099-R, 1099-MISC, W2 and/or 1042-S and the TIN/SSN is masked—why?

Due to data privacy guidelines, the full TIN/SSN has been partially masked on the 1099-R, 1099-MISC, W2 and/or 1042-S tax forms.

I received multiple tax forms—why?

Depending on your situation you may receive more than one tax form:

- You may be receiving a payment as a beneficiary and an employee.
- You may have received a lump-sum rollover distribution and annuity payments from a qualified plan in 2022.
- You may have received a lump-sum rollover distribution and a lump-sum cash payment distribution from a qualified plan in 2022.
- You may have received a qualified (1099-R) and a non-qualified\imputed income (W-2) payment in 2022.
- You may have been an active employee of Verizon and also retired and received a pension payment in 2022.
- You may have had an address change to a different state in 2022.

What is the code of distribution?

Codes of distribution are assigned based on your age and the type of payment you’re receiving. For additional information regarding codes of distribution, please visit the Internal Revenue Service (IRS) website at irs.gov.

What if I didn’t receive my 2022 W-2 from Verizon payroll?

If you did not receive your W-2 statement for a period of active service with Verizon in 2022, please call Verizon Employee Services at 800.932.7947.

My state and/or federal withholding is incorrect—how can I get this amount corrected?

We cannot change the reporting of state and/or federal withholding once the 2022 tax year has closed. If there is an error in the withholding amount on your tax form, please speak with a financial advisor or your tax preparer for information on how to recover amounts withheld that exceed your tax obligation.

Why do I have imputed income in box 12 of my 2022 W-2 form?

If you had retiree life insurance coverage greater than \$50,000 during 2022, a portion of the amount over \$50,000 is reported to the government as taxable income.

If our records indicate you have a domestic partner who does not qualify as a tax dependent, the value of the Verizon medical and/or dental coverage provided to your domestic partner (and to children of your domestic partner) during 2022 is reported as taxable income.

How can I change my payment to be directly deposited into my bank account?

Call the Verizon Benefits Center at 855.4vz.bens (855.489.2367) to make direct deposit changes.

Why did I receive a tax form for a payment I haven't cashed in 2022?

Regardless of whether you have cashed the check, under new IRS requirements, your distribution in 2022 is considered income and must be reported to the IRS as such.
