Special Protections for Senior Citizens and Persons with Disabilities

If you are 62 years of age or older, are blind, or have a disability, you may sign up for Verizon's Special Protections program which:

- May enable you to avoid having your phone service blocked or turned off if you are having trouble paying your bill
- Makes you eligible for priority repair service

Third-Party Notification

While you are still responsible for paying your bill, signing up for Third-Party Notification authorizes Verizon to send any overdue bill or service turnoff notice to another person or agency.

Both programs are free. To sign up, complete the form on page 2 and mail to:
