I, Christopher J. Bartlett, Senior Vice President, Bus Chief Financial Officer & Head of Strategy of Verizon, certify, to the best of my knowledge, the payphone compensation payments for the fourth quarter of 2022 are accurate and based on 100% of completed calls consistent with current FCC payphone compensation requirements. This certification is in accordance with the requirements of 47 C.F.R. § 64.1310(a)(3).

A handwritten signature in blue ink, appearing to read "C. Bartlett", with a long horizontal flourish extending to the right.
