**Monday, February 10, 2025**

We showed up in a big way in New Orleans, creating lifelong memories for fans, customers and V Teamers. Check it out.

And for the first time ever, FanFest took the excitement of the big game to every NFL market for Verizon customers.

We're doing the Verizon FanFest at all 30 NFL cities around the nation.

Hey Denver this is Emmanuel Sanders, I'm at the Verizon FanFest.

We get an opportunity to get out into the community and be amongst the fans on the biggest event of the NFL season.

I think my favorite part is being able to see the legends.

It's great to be able to watch all the kids play.

They're having a great time and watch the Super Bowl in my home stadium.

It's amazing.

We are just having a blast.

It's amazing energy.

This has absolutely been one of the coolest Super Bowl Sundays that I'm ever going to remember. Wooh, FanFest!

V Team, be sure to stay tuned to Up To Speed to learn about all these great experiences.

And if you want a chance to win some cool Verizon swag, tell us how you're sharing your love of everything Verizon with your friends and family.

Until next time, you're up to speed!
