As of July 21, 2021

Verizon Communications Inc. (NYSE, Nasdaq: VZ) was formed on June 30, 2000 and is one of the world’s leading providers of technology, communications, information and entertainment products and services. Headquartered in New York City and with a presence around the world, Verizon generated revenues of $128.3 billion in 2020. The company offers voice, data and video services and solutions on its award-winning networks and platforms, delivering on customers’ demand for mobility, reliable network connectivity, security and control. Verizon was the first company in the world to launch a commercial 5G mobile network with a commercially-available 5G-enabled smartphone. The company’s operating structure focuses on three customer-facing areas: Consumer, Business and Media. Citizen Verizon is the company’s responsible business plan for economic, environmental and social advancement.
