

Verizon
600 Hidden Ridge
Irving, TX 75015-2092

SHORT TERM PUBLIC NOTICE UNDER RULE 51.333(a)

September 17, 2013

Carrier: Verizon Virginia L.L.C., 703 East Grace St, Richmond, VA 23219

Contact: For additional information on these planned network changes, please contact:
Dana Mies
Verizon Communications
Manager – Switch Engineering / Trunk Capacity Management – CA/FL/TX/VA
610 N Morgan St, Tampa, FL 33602
813-229-1926

Implementation Date: On or after January 23, 2014

Planned Network Change(s) Will Occur at the Following Virginia Location(s):

<u>Location</u>	<u>Verizon Central Office CLLI Code</u>
Hopewell, Virginia	HPWLVAHWDS0

Description of the Planned Network Change(s):

The Verizon Hopewell EWSD end office switch (HPWLVAHWDS0) located at 204 West Poythress Street, Hopewell, VA, 23860 will be retired and removed from the Verizon network after all traffic served by this switch is migrated to the alternative switch described below. Traffic currently handled by the Hopewell EWSD end office switch (HPWLVAHWDS0) will be migrated to the Grace Street CS 2000 switch (RCMDVAGRPS1) located at 703 East Grace Street, Richmond, VA, 23219. All traffic will be migrated to the Grace Street switch (RCMDVAGRPS1), including but not limited to Inter-LATA (ACCESS/FG-B-D/CLEC IXC), Wireless, and Paging traffic.

Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):

All carriers including CLECs, IXCs, IECs, and wireless and paging carriers, will need to secure new trunk groups built to the Grace Street CS 2000 switch (RCMDVAGRPS1) or have existing trunk groups to that switch augmented. Carriers that are code holders for access connectivity in the Hopewell EWSD end office switch (HPWLVAHWDS0) will be required to reposition the codes to the Grace Street CS 2000 switch (RCMDVAGRPS1).

All ASRs for the Grace Street CS 2000 switch (RCMDVAGRPS1) must be received no later than November 8, 2013, in order to provide sufficient time to migrate the traffic described above. All traffic must be moved by January 23, 2014. All ASRs for the Grace Street CS 2000 switch (RCMDVAGRPS1) must carry the project code of HPWLVAHWRP0.
