## **PUBLIC NOTICE OF NETWORK CHANGE UNDER RULE 51.329(A)**

### **Hurricane Sandy's Destruction of Facilities**

April 25, 2013

Hurricane Sandy destroyed certain copper network facilities in New Jersey during October/November 2012. These facilities previously were used to provide service to the locations listed in Attachment A. Access to these facilities is no longer available. In connection with Hurricane Sandy, Verizon activated its disaster response plan for the affected areas.<sup>1</sup>

Verizon will post a copy of this notice on its website.

#### **Carrier:**

Verizon New Jersey Inc., 540 Broad Street, Newark, NJ 07102

**Contact:** For additional information on these planned network changes, please contact:

#### **Description of the Network Change(s); Location; Impact(s):**

As a result of Hurricane Sandy, Verizon copper network facilities are no longer available to provide service at the locations listed in Attachment A, and certain unbundled network elements are no longer available for these locations.

---

<sup>1</sup> In the event of disasters that prompt the triggering of a disaster recovery plan, the Commission granted Verizon a limited waiver of the advanced notification and waiting period requirements associated with its network disclosure rules (47 C.F.R. §§ 51.325-335), permitting affected carriers to concentrate on restoration efforts and execution of disaster recovery plans. *See, In the Matter of Petition of BellSouth Corporation for Special Temporary Authority and Waiver to Support Disaster Planning and Response, Order*, 21 FCC Rcd 6518, ¶ 19 (2006).
