**Description of the Planned Network Change(s):**

Certain VZ WV customers in West Virginia are currently served by VZ MD host central offices. After the proposed network changes in this notice are implemented, these customers will be served by VZ WV host central offices as explained further below.

The community of Short Gap, WV, presently served by VZ MD's Cresaptown, MD host central office (CSTWMDCRDS0), and the community of Ridgeley, WV, presently served by VZ MD's Cumberland, MD host central office (CMLDMDCMDS0), will be served by the VZ WV Keyser, WV host central office (KYSRWVMRDS0) after implementation of the network changes in this notice.

Certain VZ WV customers physically located in Elk Garden, WV, presently served from the VZ MD Kitzmiller, MD host central office (KTZMMDKMRS0), will be served by the VZ WV Gormanian, WV host central office (GRMNWVGMRS1) after implementation of the network changes in this notice.

**Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):**

Carriers may need to alter their networks or service arrangements in order to access or continue serving the customers in West Virginia affected by the aforementioned network change. Alternations may include establishing or augmenting carrier facilities to VZ WV's Keyser and Gormanian host central offices.
