Short Term Public Notice of Network Change Under Rule 51.333(a)

Withdrawal of Voice Dialing

January 13, 2005

Type of Change:

Verizon will discontinue the facilities and equipment used to provide its retail and resale Voice Dialing, Easy Dialing and Speech Recognition services and the corresponding unbundled network element voice dialing services (including, but not limited to, any corresponding unbundled local switching line port features). These services allow callers to make calls by speaking the name of the person or place that they wish to call instead of using the traditional Touch-Tone or rotary dialing method.

Locations:

Connecticut
Delaware
Maryland
Massachusetts
New Jersey
New York
Pennsylvania
Rhode Island
Virginia
Washington, DC
West Virginia

Estimated Date that Network Changes are to Begin:

May 3, 2005

Reasonably Foreseeable Impact of Change:

The facilities and equipment used to provide Verizon's retail and resale Voice Dialing, Easy Dialing and Speech Recognition services and the corresponding unbundled network element voice dialing services (including, but not limited to, any corresponding unbundled local switching line port features) will no longer be available. On or before May 3, 2005, Verizon will cease to provide these services.
