Basking Ridge, NJ 07920

SHORT TERM PUBLIC NOTICE UNDER RULE 51.333(a)

August 31, 2026

Carrier: Verizon New York Inc., 140 West Street, New York, NY 10007

Contact: For additional information on these planned network changes, please contact:

Marcia Chaffin
Verizon Network Engineering
385 Myles Standish Blvd.
Taunton, MA 02780
978-552-3638

Michael Childs
Associate Director
Verizon Network Engineering
5055 North Point Pkwy
Alpharetta, GA 30022
469-497-4466

Implementation Date: On or after October 28, 2026.

Planned Network Change(s) will occur at the following location(s) in New York:

Verizon Central Office	Address	CLLI
Syracuse South Salina, NY 5ESS Switch	4725 S. Salina Street Syracuse, NY 13205	SYRCNYSADS0
Syracuse, NY Packet End Office Switch	201 S. State Street Syracuse, NY 13202	SYRCNYSUPS0

This notice may also be viewed at

PLEASE NOTE:

- All references to the Syracuse South Salina, NY 5ESS switch are associated with CLI code SYRCNYSADS0 and will not be repeated throughout this notice.
- All references to the Syracuse, NY Packet End Office (PEO) switch are associated with CLI code SYRCNYSUPS0 and will not be repeated throughout this notice.

Description of the Planned Network Change(s):

The Verizon Syracuse South Salina, NY 5ESS switch, located at 4725 S. Salina Street, Syracuse, NY 13205, will be retired and removed from the network after all traffic served by this switch is migrated to the Verizon Syracuse, NY PEO switch, located at 201 S. State Street, Syracuse, NY 13202. All traffic to be migrated includes, but is not limited to, Inter-LATA (ACCESS/FG-B-D/CLEC/IXC), wireless, and paging traffic.

Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):

Competitive local exchange carriers (CLECs), interexchange carriers (IXCs, IECs), wireless carriers, and paging carriers will need to secure new trunk groups built to the Syracuse, NY PEO switch or have existing trunk groups to that switch augmented. Carriers that are code holders for access connectivity in the Syracuse South Salina, NY 5ESS switch will be required to reposition the codes to the Syracuse, NY PEO switch.

All ASRs for the Syracuse, NY PEO switch must be received no later than September 30, 2026, to provide sufficient time to migrate the traffic described above. These direct end office trunk (DEOT) interconnections will support traffic migration for the Syracuse South Salina, NY 5ESS switch prior to its eventual decommissioning. Local Exchange Routing Guide (LERG) change effective dates will be posted prior to decommissioning of the Syracuse South Salina, NY 5ESS switch (**on or after October 28, 2026**). This will serve to guide interconnect re-routes of traffic for the three (3) native codes currently served by the Syracuse South Salina, NY 5ESS switch to reflect the Syracuse, NY PEO switch as the new home switch.
