

**COMPLIANCE ATTESTATION  
QUARTERLY PER CALL COMPENSATION PAYMENTS**

To the best of my knowledge and belief, the Verizon Local Exchange Carrier<sup>1</sup> per call compensation amounts remitted to Payphone Service Providers (PSPs) for the **First Quarter 2025** are accurate. They are based on 100% of calls that Verizon Local Exchange Carriers completed from each PSP's payphones. This attestation is in support of the certification of the Verizon Chief Financial Officer in accordance with the requirements of 47 C.F.R. Section 64.1310.
