# Internet Dedicated+|DDoS Shield

Enhanced quote and order process to include “DDoS Shield” as an additional feature to select for Internet Dedicated+.  
(DDoS=Distributed Denial-of-Service)

From the Quote Journey:

1. Select Internet Dedicated Services
2. Select Internet Dedicated +
3. Proceed to enter appropriate order info
4. **Click the +** for Additional Features, select DDoS Shield

The screenshot displays the 'Quote Configuration' interface. The top section includes fields for Product Name (Internet Dedicated Services), Product Offering (Internet Dedicated+), Company (Verizon Business Network), Group Name (Demo-cs-5.3 ord), Term (1, 2, 3), Contract ID (C3447-01), and Verizon Legal Entity (Verizon Business Network Services LLC). Below this is a table with columns: No., Location Country, Location, Currency, Access Type, Port Only, Port Configuration, Speed, and Additional Features. A red circle '1' is over the Product Name dropdown, '2' is over the Product Offering dropdown, '3' is over the Term dropdown, and '4' is over the '+' icon in the Additional Features column of the first row. A modal window titled 'Additional Features' is open, showing checkboxes for Carrier Diversity, Colocation Override, Quality Of Service (QoS), Telecom Service Priority, and DDoS Shield. The DDoS Shield checkbox is highlighted with a red box.

**Note:** When quoting and no price is returned, contact the sales team.
