Date: April 28, 2022

Dear Verizon Wireless Customer:

This letter serves as notice that Celco Partnership d/b/a Verizon Wireless (or “Verizon Business Group”) will support the Customer’s request for Service Provider Invoicing (“SPI”) under the third application window of the Emergency Connectivity Funding program.

Our SPIN number is 143000677 and our FCC Registration Number is 0003-2906-73.

The support described in this letter is limited to purchases of Unlimited Data Only service plans (excludes shared data plans and all other plan types) and associated equipment under a Verizon Wireless Public Sector Government contract shown in the Verizon Wireless quotation provided.

Please contact your Verizon Wireless sales representative for any questions you may have concerning this letter or to expedite any required documentation.

Thank you,

Clifton Miller, Jr.
Director - State & Local Contracting (Wireless)
Verizon Business Group
