2 Representations and Certifications (L.23.2)

This proposal is provided by Verizon Business Network Services Inc. on behalf of MCI Communications Services, Inc. d/b/a Verizon Business Services and any additional Verizon entities providing service to the Government for this project (individually and collectively, "Verizon"). Local services are performed by the Verizon ILEC or CLEC in the jurisdiction where services are provided. International services are performed by the appropriate Verizon operating company in the foreign jurisdiction.

The current Representations and Certifications for Verizon Business Network Services Inc. are available online through the System for Award Management (SAM) at <https://www.sam.gov>. To Verizon's records, please search using either the CAGE number or the DUNS number listed in the table below.

Commercial and Government Entity (CAGE) number	1L027
Dun and Bradstreet Data Universal Numbering System (DUNS) number	556565836
Taxpayer Identification Number (TIN)	132745892
Legal "doing business as" (DBA) name	N/A

The following clauses are not completed in the online representations and certifications. For these, Verizon certifies as follows:

52.223-4 Recovered Material Certification.

By signing this offer, Verizon certifies that the percentage of recovered materials content for EPA-designated items to be delivered or used in the performance of the contract will be at least the amount required by the applicable contract specifications or other contractual requirements.

52.225-2 Buy American Certificate.

By signing this offer, Verizon agrees it will comply fully with the Buy American Act (BAA) and Trade Agreements Act (TAA), as applicable under this contract. To the extent the BAA applies to any order under the contract, Verizon certifies:

Verizon certifies that each end product, except those that it lists in accordance with paragraph (b) of this Buy American Certification, is a domestic end product and that for other than COTS items, Verizon has considered components of unknown origin to have been mined, produced, or manufactured outside the United States.

52.227-15 Representation of Limited Rights Data and Restricted Computer Software.

Verizon represents that it has reviewed the requirements for the delivery of technical data or computer software and states -

- () None of the data proposed for fulfilling the data delivery requirements qualifies as limited rights data or restricted computer software; or
- (X) Data proposed for fulfilling the data delivery requirements qualify as limited rights data or restricted computer software and are identified as follows:

(1) The Government will have restricted rights to pre-existing Verizon commercial systems and Verizon-created EIS business systems, such as billing, quoting, ordering, reporting, trouble management, configuration management, and provisioning systems, during the term of the contract, which Verizon has developed entirely at Verizon expense.

(2) Verizon has also purchased commercial off the shelf software to support the EIS Program. This commercial computer software was developed exclusively at private expense and the Government will have limited rights under the terms of the appropriate software license for such commercial software purchased for the EIS Program.

3 Proposal Amendment Acknowledgement (L.23.4)

Verizon acknowledges receipt of the following Amendments to the EIS RFP:
