

Fiber to the Internet (FTTI) NRC waiver Promotion

Verizon Partner Solutions - your ideal option for TDM replacement with scalable and economical fiber and wireless products with compelling promotions backed by Verizon's most reliable network.

FTTI NRC Waiver Promotion

FTTI is a high-speed, fiber-based data transport service to enable Internet access:

- Includes the provision of shared fiber optic facilities
- Allows for static or dynamic IP addressing

FTTI NRC waiver promotion waives the non-recurring charge for qualifying new FTTI orders*:

- With 2 year term
- Excludes 50M/50M Bandwidth
- For static or dynamic IP addressing
- To business end users only

Promotion period: Through November 30, 2025

High speed and reliable

- Give business customers consistent, high-speed internet access.
- Use to connect retail, education, healthcare, finance, and manufacturing locations.
