

# Wireless Connectivity Partner Program

The power of collaboration

## Get more sales opportunities, close more deals, grow your business.

To bring the digital world to life for your customers, you'll need the right company to collaborate with and deliver the solutions that matter most.

At Verizon, we can help you do it all—simply, securely and reliably.

We offer proven and innovative IoT, cloud, primary mobility and security solutions. And we deliver it all on America's most reliable 5G network\*, offering customers the connectivity and coverage they need for their businesses.

Together, we can create powerful solutions for our mutual customers. We can join our individual strengths to become a powerful combination in the industry.

## Join the Verizon Wireless Connectivity Partner Program.

As a reseller in the program, you gain access to Verizon's expansive nationwide business internet network to develop channel-ready products combined with Verizon Connectivity.

You can:

- Bundle Verizon with your products and services
- Develop primary or failover connectivity solutions
- Expand into new markets, leveraging the Verizon brand
- Offer complete custom solutions for customers
