Google Workspace Terms and Conditions

By clicking "Accept," you agree to the Google Workspace Terms of Service. If you are signing up for the 30-day free trial of Google Workspace Business Standard, you are also agreeing to these Trial Terms and Conditions, which supplement the Google Workspace Terms of Service.

1. **Trial period**

   Your free trial begins immediately upon activation of your Google Workspace Business Standard services and will continue for a period of thirty (30) consecutive days (the "Trial Period").

2. **License modifications during trial**

   You may add or remove licenses at any time during the Trial Period without penalty.

3. **Cancellation policy**

   You may cancel this Trial Offer at no charge at any time during the Trial Period. To cancel, you must contact your assigned Verizon sales representative or call Verizon Support directly at 1-800-922-0204 prior to 11:59 PM PT on the final day of your Trial Period.

   If you do not cancel before the Trial Period expires, your subscription will automatically convert into a paid, 12-month annual commitment.

4. **Billing and minimum license commitment**

   - **Rate:** Upon conversion, you will be billed monthly at $14.00 per license.
   - **Minimum commitment:** Your monthly billing is based on the total number of active licenses at the moment of conversion. This count establishes your minimum financial commitment for the 12-month term.
   - **Downgrades:** You cannot remove licenses or reduce your monthly payment commitment during the annual term.
   - **Upgrades:** You may add licenses during the annual term. Added licenses will be billed at the same rate and will co-terminate with the original 12-month term.
   - **Early termination:** If you cancel the entire subscription before the 12-month term expires, early termination fees will apply.

5. **Data care upon cancellation**

   If you cancel during the Trial Period, there is no obligation to maintain your data. All customer data, configurations and settings may be permanently deleted immediately upon cancellation.

These Trial Terms, alongside the Google Workspace Terms of Service, constitute the entire agreement regarding the Trial Offer. In the event of a conflict, these Trial Terms govern the Trial Offer.
