

PUBLIC NOTICE OF NETWORK CHANGE UNDER RULE 51.333(a)

October 5, 2026

Carrier: Verizon New York Inc., 140 West Street, New York, NY 10007

Contact: For additional information on these planned network changes, please contact:

Marcia Chaffin

Verizon Network Engineering

385 Myles Standish Blvd.

Taunton, MA 02780

978-552-3638

Michael Childs

Associate Director

Verizon Network Engineering

5055 North Point Parkway

Alpharetta, GA 30022

469-497-4466

Implementation Date: On or after November 30, 2026.

Planned Network Change(s) will occur at the following location(s) in New York:

Verizon Central Office	Address	CLLI
Beacon NY 5ESS	433 Main Street Beacon, NY 12508	BECNNYBEDS0
Poughkeepsie NY Packet End Office (PEO)	20 South Hamilton Street Poughkeepsie, NY 12601	PGHKNYSHPS0

This notice may also be viewed at

<http://www.verizon.com/about/terms-conditions/network-disclosures>

PLEASE NOTE:

All references to the Beacon NY 5ESS switch are associated with CLLI code

BECNNYBEDS0 and will not be repeated throughout this notice.

All references to the Poughkeepsie NY Packet End Office (PEO) are associated with CLLI code PGHKNYSHPS0 and will not be repeated throughout this notice.

Description of the Planned Network Change(s):

The Verizon Beacon NY 5ESS switch, located at 433 Main Street, Beacon, NY 12508, will be retired and removed from the network after all traffic served by this switch is migrated to the Verizon Poughkeepsie NY PEO, located at 20 South Hamilton Street, Poughkeepsie, NY 12601. All traffic to be migrated includes, but is not limited to, Inter-LATA (ACCESS/FG-B-D/CLEC/IXC), wireless, and paging traffic.

Description of Reasonably Foreseeable Impact(s) of the Planned Change(s):

Competitive local exchange carriers (CLECs), interexchange carriers (IXCs, IECs), wireless carriers, and paging carriers will need to secure new trunk groups built to the Poughkeepsie NY PEO switch or have existing trunk groups to that switch augmented. Carriers that are code holders for access connectivity in the Beacon NY 5ESS switch will be required to reposition the codes to the Poughkeepsie NY PEO switch.

All ASRs for the Poughkeepsie NY PEO switch must be received no later than October 30, 2026, to provide sufficient time to migrate the traffic described above. These direct end office trunk (DEOT) interconnections will support traffic migration for the Beacon NY 5ESS switch prior to its eventual decommissioning. Local Exchange Routing Guide (LERG) change effective dates will be posted prior to decommissioning of the Beacon NY 5ESS switch (**on or after November 30, 2026**). This will serve to guide interconnect re-routes of traffic for the five (5) native codes currently served by the Beacon NY 5ESS switch to reflect the Poughkeepsie NY PEO switch as the new home switch.
