(410) 375-9777

Michael Childs

Associate Director

Verizon Network Engineering

5055 North Point Pkwy

Alpharetta, GA 30022

469-497-4466

Implementation Date: On or after **November 30, 2026**

Planned Network Change(s) Will Occur at the Following Virginia Location(s):

Verizon Central Office	Address	CLLI
Lewinsville VA 5ESS Switch	1701 Chain Bridge Road McLean, VA 22101	MCLNVALVDS0
Fairfax VA C20 Switch	10431 Fairfax Boulevard Fairfax, VA 22030	FRFXVAFFPS1

This notice may also be viewed at:

<http://www.verizon.com/about/terms-conditions/network-disclosures>

PLEASE NOTE:

All references to the Lewinsville VA 5ESS switch are associated with CLLI code MCLNVALVDS0 and will not be repeated throughout the notice.

All references to the Fairfax VA C20 switch are associated with CLLI code FRFXVAFFPS1 and will not be repeated throughout the notice.

Description of the Planned Network Change(s):

The Verizon Lewinsville VA 5ESS switch, located at 1701 Chain Bridge Road, McLean, VA 22101, will be retired and removed from the Verizon network after all traffic served by this switch is migrated to the Fairfax VA C20 switch, located at 10431 Fairfax Boulevard, Fairfax, VA 22030. All traffic to be migrated to the Fairfax VA C20 switch includes, but is not limited to, Inter-LATA (ACCESS/FG-B-D/CLEC IXC), wireless and paging traffic.

Description of Reasonably Foreseeable Impact(s) of the Planned Change(s): All carriers, including competitive local exchange carriers (CLECs), Interexchange carriers (IXCs, IECs), wireless carriers, and paging carriers, will need to provision new trunk groups to support direct end office trunking to the Fairfax VA C20 switch or have existing trunk groups to that switch augmented.

All ASRs for the Fairfax VA C20 switch must be received no later than **November 8, 2026**, to provide sufficient time to migrate the traffic described above. Local Exchange Routing Guide (LERG) change effective dates will be posted prior to decommissioning of the Lewinsville VA 5ESS switch (**on or after November 30, 2026**). This will serve to guide interconnect re-routes of traffic for the NPA codes currently served by the Lewinsville VA 5ESS switch to reflect the Fairfax VA C20 as the new home switch. All trunks to the Fairfax VA C20 switch must be in place prior to the decommissioning of the Lewinsville VA 5ESS switch.
