3.1.18 Verizon Loyalty Plus III Plan

Beginning September 1, 2006, this service is no longer available to new customers.

Offer: Existing Company customers who simultaneously order a new eligible MCImetro Legacy Company service “unit” (see table below), excluding upgrades and conversions on existing service and enroll that unit in this plan will receive the following benefit: three credits in the amount indicated in the table below, applied to the monthly recurring charges for the new MCImetro Legacy Company service unit. The credits will be applied to the second full-month’s, sixth full-month’s, and twelfth full-month’s invoice following activation of the new service unit. Customer may designate that the credit be applied either as an invoice credit or a deposit in Customer’s Fund account. To receive the benefits of this plan, each eligible service unit must be active, with no pending cancellation request, at the time the credits are applied. Except for these three credits, this plan does not change the terms and conditions that apply to the new service unit.

Customers will also receive a waiver of the non-recurring Company-billed installation charges for installation following plan enrollment of all eligible service units identified below. Usage charges, monthly recurring charges, expedite charges, change charges, surcharges, any charges imposed by third parties (including access, egress, jack, or wiring charges), taxes or tax-like surcharges, or other Governmental Charges will not be waived.

This plan applies only with respect to new eligible MCImetro Legacy Company provided service units ordered for installation within 30 days of order (or by Company’s quoted installation date if later), by a Customer with at least one MCImetro Legacy Company service which has been actively billing for at least 90 days prior to enrollment in this plan. Customer may enroll any eligible service unit, but any individual unit may be enrolled only once.

Customer may not receive: (i) any discounts, (ii) the benefits of: any Special Customer Arrangement (SCA) or Product Package, other than Special Customer Arrangements (SCA) Guide Types 2, 3, 4, 5, 6, 7, 8 or 9 or Produce Package SCA Guide Types 13, 14, 15, 16, 18, 19, 20 and 21, or (iii) the benefits of Regional Plus Frame Relay Promotion and Competitive Voice 2 Promotion as described in the Company’s “Service Publication and Price Guide” (The Guide) located on the Company’s website at www.verizonbusiness.com on any enrolled unit.
