These charges shall be effective with bills rendered or transactions occurring on or after July 1, 2017 or at the beginning of the first cycle after July 1, 2017.

- * The VoIP references are included because the April 19, 2017 Order in Docket No. 17-0108 set forth mandatory language to be included in LEC tariffs. However, MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services does not currently offer VoIP services.
