Introduction

The following prices are the list prices of Verizon Business Services for the rate deregulated services identified in Tariff No. 3. Verizon Business Services reserves the right to price these services on an individual case basis for particular customer applications in response to competition or other market conditions. Tariff No. 3 applies to all large business and enterprise customers (i.e., non-mass markets), and supersedes and replaces any provisions in any other tariff of Verizon Access Transmission Services which has terms, conditions or rates applying to this class of customer.

All prices in this Price List were rate deregulated in Case No. 06-0746-T-PC. All prices in this Price List correspond to the referenced section number of Tariff No. 3.
