Notices

~~The Michigan service quality rules (R 484.519 to R 484.579 of the Michigan Administrative Code) do not apply to business (i.e., non-residential) Customers with four or more lines.~~

~~Restructuring Mechanism Surcharge—Michigan law requires telecommunications providers to contribute to an intrastate switched access rate restructuring mechanism. The fund is administered by the Michigan Public Service Commission (MI-PSC). Effective October 1, 2010 MCImetro Access Transmission Services Corp. and MCI Communications Services, Inc. will impose a surcharge assessed on intrastate telecommunications services in order to recover their contributions to the fund. The surcharge rate will be the same as the contribution rate established by the MI-PSC. A Customer will not be required to pay the surcharge if it demonstrates to the Company's reasonable satisfaction that it is acquiring the Company's services for resale and is contributing directly into the MI-PSC's funding mechanism for intrastate switched access rate restructuring.~~
