

Private IP Value Standard Promotion

Subject to the conditions below, Customers who order Verizon Access Optimized Services with Private IP Optimized Services for the first time will receive the applicable promotional monthly recurring charge ("MRC") for Private IP port(s) and Access circuit(s) shown below. No other Private IP and Access MRCs are included in this promotion.

Promotional MRC		
Speed	Private IP Port	Access Circuit
100 Mbps	\$697.00	\$1210.00
1 Gbps	\$1129.00	\$1975.00
10 Gbps	\$4586.00	\$4200.00

Conditions

1. Promotion requires a minimum two year Service Commitment or Volume Commitment Period to be eligible.
2. Only Private IP ports ordered with Access circuits located in the United States are eligible for this promotion. The following Access requirements apply:
 - a. An Ethernet Handoff and Platinum or Gold performance grade is required when MCI Legacy Company is the Access provider.
 - b. An Ethernet Handoff with Switched Ethernet Access technology and a Gold performance grade is required when non-MCI Legacy Company is the Access provider.
 - c. Not all MCI Legacy Company and non-MCI Legacy Company circuits are eligible for this promotion. Eligible circuits will be specified in the Contract provided to Customer.
3. Promotional benefits are applicable only to locations specifically referencing this promotion in the Agreement.
4. The promotional MRC will be applied before discounts, if applicable.
5. Orders may be expedited, but Customer will pay applicable expedite fees.
6. For Customers with Volume Commitments, only Private IP ports and Access circuits ordered within the first six months of the Agreement Date will be eligible.
