Setting up your tablet

Your tablet already has a SIM card installed.

OPTIONAL: Insert a microSD card

1. Use the SIM card tray removal tool to open the tray.
2. Insert the microSD card into the tray with the gold contacts facing down, as shown.

NOTE: microSD card is sold separately.

Charge the battery

Before turning on your tablet charge it fully with the provided charger.

NOTE: Only use Samsung approved chargers with your device. Incompatible chargers or tampering with the charging port could damage your device and void the warranty.

About your tablet

NOTE: Not all features, apps or services may be available with your plan, device operating system and software version. Please contact your wireless service provider for more information.

NOTE: Devices and software are constantly evolving – the screen images and icons you see here are for reference only.
