STEP 4: CONNECT YOUR DIGITAL ADAPTER

1. Connect the Coax Cable to the Digital Adapter.
2. Connect the Power Cord to the Digital Adapter.
3. Connect the Coax Cable to the Back of TV.

STEP 4B: ACTIVATE YOUR DIGITAL ADAPTER

1. Turn on the Digital Adapter by pressing the Set Top Box button on the FiOS TV Remote Control.
2. Turn on your TV and tune to Channel 3, either manually or with the remote control that came with your TV.
3. To complete activation, call the Verizon Support Center at 1.855.372.2181 and provide the Digital Adapter serial numbers.

INSTALLING YOUR CABLECARD

1. Read through the instructions for your CableCARD-ready device and complete any setup.
2. When the CableCARD is inserted, follow the on-screen instructions.
3. When prompted, enter the activation code on your Verizon Customer Receipt.
4. Select which method of activation you prefer and follow the instructions.
   a. Visit verizon.com/fiostv/selfinstall
   b. By phone at 1.888.897.7499

YOU'RE ABOUT TO EXPERIENCE LIFE ON FiOS

YOUR INSTALLATION BEGINS HERE. LET'S GET STARTED.

THERE'S NO NEED TO WAIT. INSTALL TODAY AND BEGIN ENJOYING FiOS RIGHT AWAY!
STEP 1

STEP 1A: FiOS ROUTER SETUP

1. Connect the Coax Cable to the FiOS Router.
2. Connect the Power Cord to the FiOS Router.
3. Turn the FiOS Router ON (may take up to 6 minutes for lights to turn green/white).

NOTE: If a TV will be connected to the same coax wall outlet as your router, connect a 2-way splitter as shown.

OPTIONAL: For a wired Internet setup, connect the Ethernet cable from the router to your computer.

OPTIONAL: Models vary, but connections are the same on all models.

STEP 1B: WIRELESS SETUP

1. On the FiOS Router, locate the Wi-Fi label for your Wireless Network Name (ESSID) and Wireless Password (WPA2).
2. Launch your device’s wireless application. Select Wireless Network Name (ESSID) and then Connect.
3. When prompted, enter the Wireless Password/Key (WPA2) as it appears on your router’s label (case sensitive). Then select Connect.

STEP 1C: INTERNET SETUP

1. Open an Internet browser and go to activatemyfios.verizon.net.
2. Follow the Setup Web Site to activate your Verizon account.

STEP 2

STEP 2A: CONNECT YOUR SET TOP BOX USING COMPONENT CABLE (recommended for HD TVs)

1. Connect the Component Cable to the FiOS Router.
2. Connect the Component Cable to the Set Top Box.
3. Connect the Power Cord to the Set Top Box.

ALTERNATE OPTION: CONNECT YOUR SET TOP BOX USING COAX CABLE (recommended for Standard Definition and older TVs)

1. Connect the Coax Cable to the FiOS Router.
2. Connect the Coax Cable to the Set Top Box.
3. Connect the Power Cord to the Set Top Box.

STEP 2B: ACTIVATE YOUR SET TOP BOX

Turn on your Set Top Box and your TV. Then, using your FiOS™ TV Remote, follow the instructions shown on your TV screen.

STEP 3

ADDITIONAL SET TOP BOX SETUP

If you have additional Set Top Boxes, install them now following the directions given in Step 2.
