

# Verizon Partner Program

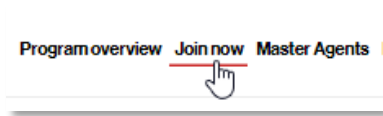

## GETTING STARTED

Getting started with the Verizon Partner Program is quick and easy.

### Register for the Verizon Partner Program

1. Visit the Verizon Partner Program home page at [verizon.com/partnerprogram](http://verizon.com/partnerprogram).

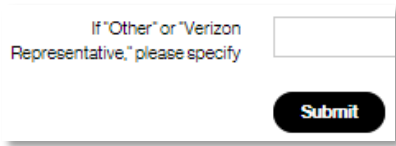

2. Click the **Join now** link located on the upper right corner. Select the Partnership model that suits you by using the Assessment tool. After reading the requirements, click the **Register** button.

3. Read the Partner Relationship Management Portal Terms and Conditions and click the **Accept & Continue** button. If you are in the EU, you will be shown the GDPR Privacy Notice. Please read them, and click the **Accept & Continue** button.

4. Complete the Verizon Partner Program Registration form and click the **Submit** button.

If you selected **Verizon Representative** or **Other** for how you heard about us, please provide the name of that person in the appropriate field.

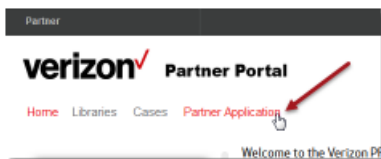

5. Once your registration request is submitted and approved you will receive an email with information on how to log in and submit your Application. Upon receipt of your credentials, you will have 24 hours to log in and submit your application.

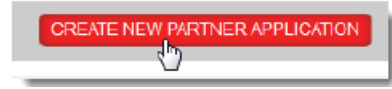

### Submit your Application for the Verizon Partner Program

1. Log in to the Verizon Partner Relationship Management (PRM) Portal via the email received during the Registration process.

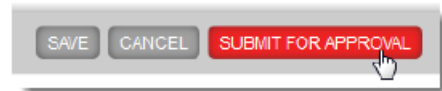

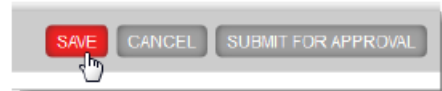

2. Click on the **Partner Application** tab. If your application is not submitted within 14 days, your PRM Portal credentials expire and you will be invited to register again.

3. Click the **Create New Partner Application** button.

4. Enter all required information and click either **Save** to save as draft or **Submit for Approval** to submit. Your application will not be received by Verizon until you click the **Submit for Approval** button.

### Important notes regarding Application process:

- If you need assistance at any time throughout the application process, click on your Channel Manager's name on the left side menu to send an email.

- If you select a **Company Sales Regions** outside the USA, you will be required to complete the additional Due Diligence and Compliance questions and attach supporting documentation.

- If you click the **Submit for Approval** button while in edit mode and receive a "required field" message, scroll through the application form to review the fields that require a response. Update your application with required information and click the **Submit for Approval** button again.

**Thank you for your interest. We look forward to working with you.**
