

# Talk To The World Plan

## Global reach, global value

Verizon offers international calling! We can be your single source for all of your business calling: local, regional toll, long distance and international. Once you've signed up for long distance service from Verizon, your business can also take advantage of the benefits and savings offered through our Talk To The World Plan.

### Giving you the world

If your business makes international calls, our Talk To The World Plan is just what you're looking for. For a low monthly fee of just \$5.95 per Verizon billing account, your business can get great rates to more than 250 countries and locations around the world.

Each country has its own 24-hour-a-day, seven-day-a-week, low direct-dialed rate per minute. Therefore, plan rates depend on the country you dial; please call your Verizon representative for specific international rate information.

### Examples of the direct-dialed international per-minute rates

Canada	5¢
United Kingdom	6¢
Israel	13¢
Italy	13¢
Brazil	21¢
Hong Kong	12¢
China	16¢
Japan	10¢

### First call us... then call anyone, anywhere
