

Composite Audio/Visual (3 RCA RWY) 10'

Description - High quality composite audio/video cable assembly consisting of (3) RCA Male to Male gold plated connectors with (1) 75ohm Video + (2) 24 AWG 1 pair Audio cable. Commonly used for connecting a set-top box to a TV.

Specifications - 30um gold plated RCA connectors, heavy duty metal back shells and rugged Zip cable for unlimited control over connectivity breakout.

Installation Instructions

1. Connect a stereo audio cable to the AUDIO OUT L (white) and R (red) connectors on the set-top box and the INPUT L (white) and R (red) connectors on the TV.
2. Connect the video cable (yellow) to the video out connector on the set-top box and the video connector (yellow) on the TV.
