
RULES AND REGULATIONS

Applicable to intrastate intraLATA Wide Area Telecommunications Service (WATS) and 800/888 Services, furnished or made available over facilities by Verizon West Coast Inc., hereinafter referred to as the Utility, and in conjunction with any interexchange carrier which elects to offer interLATA service on the basis hereinafter set forth. Verizon West Coast Inc. adopts all tariff references in effect at the time of its name change on August 1, 2000, under the name GTE West Coast Incorporated until such time those tariff references are revised by Verizon West Coast Inc.

Special Note:

Rates, charges and conditions shown herein include all network facilities on the Utility's side of the Demarcation Point (Network Interface) as defined in Verizon West Coast Inc. General Exchange Tariff, Section 3 Definitions.

Verizon West Coast Inc. will provide WATS and Dedicated 800/888 Service in conjunction with an Interexchange Carrier using a common access line. Verizon West Coast Inc. will provide the intraLATA portion and the Interexchange Carrier will provide the interLATA portion. The access line will be owned by Verizon West Coast Inc.

Within the exchange areas of all exchanges as said areas are defined on maps filed as part of the tariff schedules.

Basic and Optional Service Choices

For details of rates, charges, terms conditions and description of service, see the schedules listed following. These services can be added, changed or canceled at anytime by calling the following: [or online at www.verizon.com].

Residential services 1-800-483-4000.

Business services 1-800-483-5000.
