D. ANCILLARY SERVICES

1. Additional Terminations

- (a) When a WATS/800/888 access line terminates in is designated as the access line. Any other terminations of the same access line are designated as additional terminations.
- (b) Additional terminations are provided only within the same LATA in which the access line terminates.
- (c) Rates and Charges - refer to GTE West Coast Incorporated Facilities For State Access Tariff.
 - (1) Special Access Lines
(Additional line terminations)
 - (2) Special Transport and Special Transport Termination

RATES

D. ANCILLARY SERVICES - Continued

2. Four-Wire Terminating Arrangements

- (a) Four-Wire Terminating Arrangements are used in connection with Wide Area Telecommunications Service.
- (b) The Four-Wire Terminating Arrangement permits terminating equipment that is designed to use four-wire terminations to be connected to the Utility's services. While this offering contemplates the use of four-wire facilities, between the local serving central office and the premises terminating equipment, two-wire facilities may be used. Transmission performance that meets the established standards of the Utility will be obtained over facilities connected to a Four-Wire Terminating Arrangement. If a customer requires additional special equipment for which provision is not included herein, additional installation charges and monthly rates will be incurred based upon the total cost of the equipment furnished or of the special work required, subject to the review of such charges by the Public Utilities Commission of the State of California.

RATES

D. ANCILLARY SERVICES - Continued

2. Four-Wire Terminating Arrangements - Continued

(c) Rates and Charges

The rates and charges following are for the Four-Wire Terminating Arrangement only and are in addition to the applicable rates and charges for the WATS/800/888 access line with which it is associated.

	Installation Charge ¹
- When installed coincident with the associated access line	
WATS Service	\$184.75
800/888 Service	179.08
- When installed subsequent to the associated WATS access line	\$ 82.46

Note 1: In addition to any applicable Service Charges as set forth in GTE West Coast Incorporated General Exchange Tariff, Section 5, (for example: Service Order Activity, Central Office Activity, etc. - any or all of these charges may be applicable).
