Digital Private Line

The following promotions are available until canceled by Carrier, unless otherwise stated below:

A. Digital Private Line - Plan I

This promotion is no longer available to new Customers.

For new Customers ordering Digital Private Line Service, or for existing Customers extending Digital Private Line Service after the effective date of this Tariff, who commit to a one or more year term, Carrier may waive Nonrecurring Charges (NRCs) for the inter-office channel charges. If Customer terminates a term agreement within the first year after installation of service, Customer will be assessed the full amount of the credit for waived charges as well as any early termination charges per the Tariff for the service involved.

B. Digital Private Line - Plan II

This promotion is no longer available to new Customers.

For new Customers ordering Digital Private Line, or for existing Customers extending Digital Private Line Service after the effective date of this Tariff, who commit to a two or more year term, Carrier may waive NRCs for the inter-office channel, central office connection, access coordination, and/or standard local access facilities charges. If Customer terminates a term agreement within two years after installation of service, Customer will be assessed the full amount of the credit for waived charges as well as any early termination charges per the Tariff for the service involved.

C. Digital Private Line - Plan III

This promotion is no longer available to new Customers.

The following discounts may apply to the inter-office channel MRC's, in lieu of any other term and volume discount. This promotion is for new Digital Private Line Customers who purchase one or more digital private lines, or for existing Digital Private Line Customers who purchase additional lines after the effective date of this Tariff. The promotion does not apply to NRCs, and it can only be used in conjunction with Specialized Services Total Bill Discount Promotion or with Digital Private Line Plan I or Plan II Promotion.

The Digital Private Line Inter office Channel MRC is the only eligible rate element for application of the discount.

2.1 Carrier may provide special promotional offerings to its Customers. These offerings may be limited to certain dates, times and locations. The following specific rates, terms and conditions are applicable to each promotional offering.

(L)

2.2 Carrier may, from time to time, waive or vary the rates and charges associated with its prepaid calling service for promotional, market research or other similar business purposes. All promotional offers to Customers shall be the same as those stated in Carrier's Interstate Tariff on file with the Federal Communications Commission. In no case, shall the varying rates and charges exceed the rates and charges listed in the Tariff for the same services.

Carrier will provide a complimentary prepaid calling card to individuals who respond to, or are targeted by, marketing, advertising, and retention programs sponsored by affiliates of Carrier. The prepaid calling card allows users to originate outbound, direct dial long distance calls via a toll free access number. All calls are rounded to the next higher full minute or unit. The prepaid calling card account shall expire on the date specified on the card or 180 days after first use, or in the absence of a physical card, on the marketing material accompanying the prepaid calling service offer. The value of the card shall not exceed \$100.

2.3 Other Promotions - Prepaid Calling Service

Carrier may, from time to time, offer Customers a promotion at a rate equal to one-half of the tariffed rate for any of the prepaid calling service offerings listed in Section 2.5.1 on the following holidays:

2.2 Carrier may, from time to time, waive or vary the rates and charges associated with its prepaid calling service for promotional, market research or other similar business purposes. All promotional offers to Customers shall be the same as those stated in Carrier's Interstate Tariff on file with the Federal Communications Commission. In no case, shall the varying rates and charges exceed the rates and charges listed in the Tariff for the same services.

Carrier will provide a complimentary prepaid calling card to individuals that respond to an advertising campaign sponsored by affiliates of Carrier. The prepaid calling card allows users to originate outbound, direct dial long distance calls via a toll free access number. All calls are rounded to the next higher full minute or unit. The prepaid calling card account shall expire on the date specified on the card or 180 days after first use, or in the absence of a physical card, on the marketing material accompanying the prepaid calling service offer.
