GENERAL CUSTOMER SERVICES TARIFF

FOR THE

STATE OF SOUTH CAROLINA

This tariff contains regulations and rates applicable for the furnishing of Basic Local Exchange Service, Long Distance Message Telecommunications, Wide Area Telecommunications Service and for other general customer services, equipment and facilities associated with the above services offered by GTE South Incorporated (South Carolina), hereinafter referred to as the Telephone Company and/or Company, within this State. This tariff is on file with the Public Service Commission of South Carolina. (T)

Intrastate communication services are furnished through facilities provided by the Company for the transmission of intelligence by electrical impulse, principally by means of wire, radio, or a combination thereof.

If, and when, a service is required for which no rate is authorized, before said service is established, a formal written application shall be made to the State Utilities Commission for a rate and formal approval shall be obtained before said service is established.
