

Verizon New England Inc.

3. Provisions for Other Services

3.1 Terminating Number Screening

3.1.1 Description	
A.	This arrangement is available subject to the availability of facilities in suitably equipped central offices. The following options are available.
1.	Option A alerts operators throughout the country that collect and third number calls cannot be billed to a particular main station line number.
2.	Option B alerts operators throughout the country that third number calls cannot be billed to a particular main station line number.
3.	Option C alerts operators throughout the country that collect calls cannot be billed to a particular main station line number.

3.1.2 Application of Rates and Charges	
A.	A Service and Equipment (S&E) charge applies.

Verizon New England Inc.

3. Provisions for Other Services

3.2 Selective Blocking Service

3.2.1	Description
A.	Individual Centrex lines or the entire Centrex system may be blocked from access to vendor operated pay per call services such as 550, 900, 940, 976 etc.

3.2.2	Application of Rates and Charges
A.	During the initial system installation and subsequent line addition, blocking may be provided on individual lines or the entire system at no additional charge.

Verizon New England Inc.

3. Provisions for Other Services

3.3 Trunk Line Terminations

3.3.1 Description	
A.	Dial trunk line terminations permit the termination of foreign exchange or equivalent facilities of Other Common Carriers (OCC) in Centrex dial switching equipment for dial level access by stations of the system for outgoing calls. Manual trunk line terminations permit the designated answering location of a system to transfer incoming calls from Dedicated Toll Free Service, foreign exchange or equivalent OCC facilities to other stations within the system.

3.3.2 Application of Rates and Charges	
A.	The dial trunk line termination rate is not applicable to Centrex I, Centrex II or Custom Centrex service. The manual trunk line termination is not available with Centrex I or Centrex II service. Monthly rates and S&E charges apply per trunk.

Verizon New England Inc.

3. Provisions for Other Services**3.4 Tie Line Terminations**

3.4.1 Description	
A.	Tie line terminations permit the termination of tie lines channels into a Centrex system.
1.	Manual-type tie line terminations are available for maintenance only, subject to supply.

3.4.2 Application of Rates and Charges	
A.	A monthly rate and S&E charge applies to dial-type and manual-type tie line terminations.
B.	In addition, when a tie line channel connecting a PBX and a Centrex system is arranged so that access to or from the exchange and toll network is available at the Centrex termination a measured or unlimited service monthly rate and S&E charge applies per tie line arranged.
1.	Unlimited service is not available with Nova, Centrex Plus or Intellipath service.
C.	Tie Line Channels— Rates and charges for Private Line Type 2001B channels apply for intraexchange or interexchange channels as required. For interexchange tie line channels, rates and charges for Centrex terminals apply in lieu of local channels when tie lines terminate only in the Centrex switching equipment. In addition, the appropriate tie line termination rates and charges apply.

Verizon New England Inc.

3. Provisions for Other Services**3.5 Centrex Foreign Exchange or Foreign Central Office Service**

3.5.1	Description
A.	Centrex foreign exchange or foreign central office service provides basic system features from a central office other than the local central office that normally would serve the principal premises.
1.	Foreign exchange or foreign central office and Centrex local exchange service cannot be provided in the same Centrex system.
2.	Foreign exchange service is available for inward calling when the foreign exchange line terminates at an attendant position or at a designated answering location. Outward calling is available when the line terminates at an attendant position, designated answering location or in the central office dial switching equipment.

Verizon New England Inc.

3. Provisions for Other Services

3.6 Directory Listings

3.6.1 Description	
A.	When Centrex service is provided to hotels, motels, or similar establishments for the use of management, tenants, guests and tenants may be furnished additional directory listings showing the Centrex service number, or they may individually request any class service offered in the exchange.
1.	When PBX type trunk lines are provided, directory listings are not furnished since these services are provided on an outward calling basis only.

3.6.2 Application of Rates and Charges	
A.	Verizon furnishes one directory listing per Centrex system without charge. Additional directory listings may be provided as for business service at the appropriate rates and charges.
