TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.
- B. Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Department. For example, the 4th revised Page 14 cancels the 3rd revised Page 14. Because of the various suspension periods and deferrals the Department follows in its tariff approval process, the most current page number on file with the Department is not always the tariff page in effect. Consult the check sheet for the page currently in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2
 - 2.1
 - 2.1.1
 - 2.1.1.A
 - 2.1.1.A.1
 - 2.1.1.A.1.(a)
 - 2.1.1.A.1.(a).I
 - 2.1.1.A.1.(a).I.(i)
 - 2.1.1.A.1.(a).I.(i).(1)
- D. Check Sheets** - When a tariff filing is made with the Department an updated check sheet accompanies the filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There shall be no other symbols used on this page if these are the only changes made to it. The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Department.

EXPLANATION OF SYMBOLS

Changes to this Tariff shall be identified on the revised page(s) through the use of symbols. The following are the only symbols used for the purposes indicated below:

(D) -To signify a decrease in rate or charge.

(I) -To signify an increase in rate or charge.

(C) -To signify all other tariff changes.

Issued: September 28, 2001

Effective: October 30, 2001

Irving, Texas 75038

APPLICATION OF TARIFF

This Tariff contains the regulations, rates and charges applicable to the provision of interexchange telecommunications services by Verizon Select Services Inc. for the use of Customers transmitting messages within the Commonwealth of Pennsylvania, subject to the jurisdiction of the Pennsylvania Public Utilities Commission ("Commission").

This Tariff is on file with the Commission. In addition, this Tariff is available for review at the main office of Verizon Select Services Inc., located at 600 Hidden Ridge, 2nd Floor, Irving, TX 75038.
