10. International Dial in Access

The Service offers two methods for international participants to connect to Carrier's US-based conferencing services: International Toll-Free Numbers (ITFN) and Direct Dial Access.

ITFNs are available in selected countries. The participant dialing the ITFN will not be (C)
charged. The Customer will be charged a per-minute fee for the ITFN usage. This (C)
charge is in addition to the applicable per minute Toll Direct Dial rate specified in

Direct Dial Access number may access the Service using a carrier of their choice and
shall be responsible for any rates billed by their selected carrier in addition to the
