ALABAMA

MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services and MCI Communications Services, Inc. d/b/a Verizon Business Services no longer file retail tariffs or price lists with the Alabama Public Service Commission. The complete terms and conditions that govern these non-tariffed services in Alabama are:

- For intrastate services that are subject to the Service Publication and Price Guide, see the customer's written service agreement and the online Service Publication and Price Guide (at www.verizonbusiness.com/guide).

- For intrastate services that are subject to the MCI and TTI National General Services Agreement for Residential Customers, see the General Service Agreement, any optional calling plan, promotion, and/or authorized written communications received from MCI Communications Services, Inc. or TTI National, and the Catalog Schedules set forth below.

- For intrastate services that are subject to the MCI General Services Agreement for Small Business Customers, see the General Service Agreement, any optional calling plan, promotion, and/or authorized written communications received from MCI Communications Services, Inc. and the Catalog Schedules set forth below.

CUSTOMER NOTICES

Verizon Business:
Verizon Business is no longer required to file a tariff for Local Basic Telephone Service and Optional Features with the Alabama Public Service Commission. Services offered under this tariff are: Local Line, Agent Program, Save Program, Single Line, Multi Line, Local Calling Service, and IntraLATA Area Calling Plan. Verizon Business will be withdrawing this tariff, effective February 1, 2013. This change will not affect the rates or terms and conditions for the services to which you currently subscribe. Your signed contract or term plan agreement will continue to apply until expiration. Local Exchange offered services and their rates, terms and conditions are set forth in our Service Publication and Price Guide (the "Guide"), available on our current website, at http://www.verizonbusiness.com/us/publications/service_guide. If you have any questions about this matter, please call Verizon Business at the toll-free number listed on your telephone bill or visit us at www.verizonbusiness.com

Verizon Business no longer files tariffs or price lists with the Alabama Public Service Commission for non-basic services or for services provided under contract. The complete terms and conditions that govern the provision of Verizon Business's formerly tariffed intrastate services in Alabama consist of the customer's written service agreement and the online Service Publication and Price Guide (at http://www.verizonbusiness.com/guide).

MCI:

[Residential] Effective February 1, 2013, the prices, service descriptions, and the terms and conditions for local exchange services that you are provided by MCI will be

governed by customer agreement rather than tariffs on file at the Alabama Public Service Commission. This modification does not result in a change, at this time, to the prices, terms, or conditions of those services to which you currently subscribe. The complete rates, terms and conditions that govern your services, including local, in-state long distance and bundled services, are set forth in the enclosed General Service Agreement (which is also available online at http://consumer.mci.com/mci_service_agreement/res_index.jsp), the online catalogs and/or service guides (both of which include applicable rates) available at MCI: http://www.verizonbusiness.com/us/publications/state_tariffs/, and the current terms of any optional calling plan, promotion, or any authorized written communications sent by MCI. Please review the General Services Agreement carefully to understand your and MCI's rights and obligations. **No action is required on your part.** You can continue to use MCI's local exchange services, or otherwise continue your account with MCI, either of which will constitute your assent to all the rates, terms, and conditions as set forth in the General Service Agreement, online catalogs, and/or service guides described above. If you have any questions about this matter, please call MCI at the toll free number 1-888-624-5622, or visit us at www.mci.com/service.

[Small Business] Effective February 1, 2013, the prices, service descriptions, and the terms and conditions for local exchange services that you are provided by MCI will be governed by customer agreement rather than tariffs on file at the Alabama Public Service Commission. This modification does not result in a change, at this time, in the prices, terms, or conditions of those services to which you currently subscribe. The complete rates, terms and conditions that govern your services, including local, in-state long distance and bundled services, are set forth in the enclosed General Service Agreement (which is also available online at http://consumer.mci.com/mci_service_agreement/sb_index.jsp), the online catalogs and/or service guides (both of which include applicable rates) available at http://www.verizonbusiness.com/us/publications/state_tariffs/; and the current terms of any optional calling plan, promotion, or any authorized written communications sent by MCI. Please review the General Services Agreement carefully to understand your and MCI's rights and obligations. **No action is required on your part.** You can continue to use MCI's local exchange services, or otherwise continue your account with MCI, either of which will constitute your assent to all the rates, terms, and conditions as set forth in the General Service Agreement, online catalogs, and/or service guides described above. If you have any questions about this matter, please call MCI at the toll free number 1-800-436-4444, or visit us at www.mci.com/service.

MCI no longer files tariffs or price lists with the Alabama Public Service Commission for non-basic residential and small business services. The complete terms and conditions that govern the provision of MCI's formerly tariffed intrastate services in Alabama for residential and small business customers, including intrastate long distance and bundled services, will consist of the General Service Agreement (at http://www.mci.com/service_agreement), the on-line catalog schedule and the current terms of any optional calling plan, promotion, or any authorized written communications received from the Company.

TTI National, Inc.:

TTI National no longer files tariffs or price lists with the Alabama Public Service Commission for non-basic residential and small business services. The complete terms and conditions that govern the provision of TTI National's formerly tariffed intrastate long distance services in Alabama will consist of the General Service Agreement, terms and conditions detailed on the Company's website http://www.ttinational.com, and the current terms of any optional calling plan, promotion, or any authorized written communications received from the Company.

TARIFFS AND CATALOG SCHEDULES AVAILABLE ON THIS SITE

Effective August 1, 2009, the Alabama Public Service Commission shall not have any jurisdiction, right, power, authority, or duty to regulate, supervise, control, oversee, or monitor, directly or indirectly, the costs, rates, charges, terms, or conditions, for any retail telecommunications services provided to small business customers, except as provided in Section 37-2A-11(6) of the Code of Alabama 1975. The terms and conditions concerning MCI's provision of retail telecommunications services to small business customers are available below in MCI Communications Services, Inc., Alabama Long Distance Catalog Schedule No. 1 and MCImetro Access Transmission Services LLC Alabama Local Exchange Catalog Schedule No. 1.

Additionally, the terms and conditions concerning TTI's provision of retail telecommunications services to small business customers are available in the TTI National, Inc. Alabama Long Distance Catalog Schedule No. 1 located below.
