

Mississippi

MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services and MCI Communications Services, Inc. d/b/a Verizon Business Services no longer file retail tariffs with the Mississippi Public Service Commission for retail local exchange services and intrastate interexchange services other than for residential single line basic local flat rate voice service. The complete terms and conditions that govern these non-tariffed services in Mississippi are:

- For intrastate services that are subject to the Service Publication and Price Guide, see the customer's written service agreement and the online Service Publication and Price Guide (at www.verizonbusiness.com/guide).
- For intrastate services that are subject to the MCI, or TTI National General Services Agreement for Residential Customers, see the General Service Agreement, any optional calling plan, promotion, and/or authorized written communications received from MCI Communications Services, Inc., or TTI National and the Catalog Schedules set forth below.
- For intrastate services that are subject to the MCI General Services Agreement for Small Business Customers, see the General Service Agreement, any optional calling plan, promotion, and/or authorized written communications received from MCI Communications Services, Inc. and the Catalog Schedules set forth below.

Verizon Business believes the following to be an accurate electronic representation of its current switched access tariff, and residential single line basic local flat rate voice service tariff; however, the electronic representations are not an official document, and users assume sole responsibility for any reliance on this document. The official tariff documents are on file with the Mississippi Public Service Commission, and Verizon Business bears no responsibility or liability for the accuracy of the following electronic representations.
