Carrier may provide special promotional offerings to its customers. These offerings may be limited to certain dates, times and locations. The following specific rates, terms and conditions are applicable to each promotional offering.

Frame Relay Total Bill Discount

For new Customers ordering any specialized service, with the exception of Large Business Voice Service II, Digital Private Line II, Direct Line Services, and One WAN Services, Customer's bill may be discounted by the amounts specified below, depending on the term commitment Customer makes. Customer must commit to a minimum annual revenue of \$24,000 or more. All specialized services as defined in this Tariff are counted toward minimum annual revenue commitment. Customer's total bill for MRCs and usage charges, net of all previously applied discounts or promotions, including interstate, international, and intrastate charges for specialized services, as defined in this Tariff will be discounted as specified below. International Data Services (Frame Relay and Private Line Products) are not eligible to receive discounts below. If Customer does not meet the annual revenue commitment level, on their thirteenth invoice, they will be assessed a shortfall penalty which will be the difference between their prediscounted billing revenue and the annual minimum commitment amount. If Customer terminates a term agreement early, Customer may be assessed the full amount of the credit given to that point, as well as any early termination charges per the tariff for the service(s) involved. If Customer has multiple specialized services, or adds additional specialized services, and term commitment for those services vary, the total bill discount percentage which will be applied will be at Customer's lowest term commitment level. This promotion is available until August 7, 2000 and may be combined with any of the following promotions: Large Business Voice Toll-Free - Options I & II, Large Business Voice Service I Outbound - Option I, Frame Relay - Option II, Call Management Option I, or II and PIC Fee Credit Promotion.
