1. Operator Handled Service - Continued

(b) Calling Card Service (Direct Dialed)

- (1) Calling Card Service (Direct Dialed) applies when the originating call is completed without the assistance of an operator, where equipment is available. ¹
- (2) This service also applies to calls that require operator assistance ² which is limited to entering the Calling Card number to complete the call and recording the Calling Card number for billing purposes.
- (3) This service also applies to calls that require operator assistance to:
 - a. Place a Calling Card operator station service call when equipment capability precludes the foregoing.
 - b. Place a Calling Card operator station service call for customers who identify themselves as being handicapped and unable to dial.

¹ This service also applies to calls placed from a public telephone.

² Charges are applicable only to calls placed originally as a Direct Dial Calling Card call and not applicable to collect or third number billing on which the "billed-to-number" person accepts the charges, but requests the charges be billed to a Calling Card. The applicable charge for the latter two calls is the Operator Handled Station-to-Station charge.

Effective: December 1, 2008

II. SPECIAL CONDITIONS - Continued

B. Number Referral Services

1. The disconnected or changed number will be kept dedicated for the customer's selected referral period unless the Company determines it necessary to reassign and use the referred number as specified in Schedule Cal. P.U.C. No. D&R, Rule No. 8.
2. If the Company initiates the number change, the number referral service will be provided free of charge only for a period of 30 days.
3. Credit allowance or refunds will only be provided as applicable for an incorrect referral due to the Company's error (such as no referral when one was requested) or for situations in which the Company needs to use a referred number before the customer requested period has been reached. The credited amount will be based on the actual number of days the number referral service was not provided. To determine the credit allowance for a fraction of a month, every month is considered to have 30 days. The limitation of the Company's liability is set forth in Section 2.B.6. of this Product Guide.
4. If a telephone number change is initiated due to a high volume of misdirected calls, number referral (Basic Referral) will be provided at no charge for a period of three months.
