FACILITIES FOR INTRASTATE ACCESS

GENERAL REGULATIONS

B. Use

1.

2. Interference or Impairment

a. The characteristics and methods of operation of any circuits, facilities or equipment provided by other than the Utility, including customer transmission equipment and facilities used with EIS, and associated with the FIA provided under this tariff shall not interfere with or impair service over any facilities of the Utility or other telephone companies involved in its services, cause damage to their plant, impair the privacy of any communications carried over their facilities or create hazards to their employees or the public. FACILITIES FOR INTRASTATE ACCESS

GENERAL REGULATIONS

B. Use - Continued

2. Interference or Impairment - Continued

b. Except as provided for equipment or systems subject to Part 68 of the FCC Rules and Regulations in 47 C.F.R. ¶68.108, if such characteristics or methods of operation are not in accordance with a. preceding, the Utility will, where practicable, notify the customer that temporary discontinuance of the use of FIA may be required; however, where prior notice is not practicable, nothing contained herein shall be deemed to preclude the Utility's right to temporarily discontinue forthwith the use of FIA if such action is reasonable under the circumstances. In case of such temporary discontinuance, the IC or end user will be promptly notified and afforded the opportunity to correct the condition which gave rise to the temporary discontinuance. During such period of temporary discontinuance, the allowance for interruption of FIA is not applicable.

3. Unlawful Use

(D)
(D)

The Utility shall refuse to establish service for any applicant and it shall discontinue and disconnect service to a customer whenever it has reasonable cause to believe that the use made or to be made of the service, or the furnishing of service to the premises of the applicant or customer, is prohibited under any law, ordinance, regulation, or other legal requirement, or is being or is to be used as an instrumentality, directly or indirectly, to violate or to aid and abet the violation of the law. A written notice to the Utility from any official charged with the enforcement of the law stating that such service is being used or will be used as an instrumentality to violate or to aid and abet the violation of the law is sufficient to constitute such reasonable cause.
